**Green day in 't Zand**  
Saturday 23 November 2024

# from grey to green

## What are we going to do?

Working together to improve the green and biodiversity in 't Zand. We do this by together creating more green and improving the existing green.

## How do we do that?

- By creating **FREE facade gardens**
- With a **FREE balcony plants package**
- Together with volunteers who want to help
- With a new mailing list for green activities

**want  
to join  
us?**

**Sign up quickly! [www.zandbewoners.nl](http://www.zandbewoners.nl)**

## Important information

**Everyone can register.** Even if you do not want a facade garden or a balcony plants package or are not available on 23 November, you can still participate to improve the green. Both residents, companies and organizations can register. You can find the registration form and all the important information **on [www.zandbewoners.nl](http://www.zandbewoners.nl)**
