# Neighbourhood gathering about themes out of 't Zand - WSC & skate culture

# Neighbourhood activities in 't Zand february & march 2026

## Zandcafé | Thursday, 26 February

This third themed gathering of Zandcafé is about the World Skate Center (WSC) in 't Zand. Discover the history and the battle for suitable places to skate in our city. See how we went from a skating ban in the city center, to the World Skate Center, where our Olympic team trains.

See it all with your own eyes during a tour and demonstration in the skate hall. We will also show the documentary KICK/PUSH by Pascal Vugts and Casper Herselman, about the rise of skating in Den Bosch. Discover everything the World Skate Center has to offer for sports and music lovers, like the Skate nights, jam sessions, concerts or clubnights. Submerge yourself in skating culture during a night out in your own neighbourhood!

- 19h45 - 20h00 Walk-in with coffee/tea
- 20h00 - 20h40 Viewing of the documentary KICK/PUSH
- 20h40 - 21h10 Tour and demonstration in the skatehal
- 21h10 - 21h25 Break
