Zandcafé Outdoor cinema | Saturday, 29 August 2026

Zandcafé is a neighbourhood meeting around themes that affect 't Zand, organised by the Zandbewoners Neighbourhood Association. In this fourth edition, we are organising an open-air cinema in the garden at OMNII, **featuring short films about 't Zand.**

With a unique collection of professional and amateur footage, we'll delve together into the (social) history of 't Zand. This footage, captured by local residents and others with a connection to the neighbourhood, tells stories about events and places that have shaped the neighbourhood.

Creators, residents and other stakeholders talk about the background to the footage. A celebration of recognition and discovery for everyone who lives, works or visits the 't Zand neighbourhood regularly.
